

BRACU has a number of departments such as CSE, EEE, BBS etc. Each department has its own teachers and students. The department offers a list of services for teachers and students, which are managed by DCOs. A student can belong to only one department. However, a teacher can provide services to multiple departments. Each department offers a number of courses. Courses are recognized by specific id, faculties, name etc. A course content describes all the objectives and syllabus list. A course has different sections. Each section is conducted by a teacher. Maximum of 45 students can enroll in a section.
